Sir/

Adverting to your official Memoranda as per margin forwarding for report 3 petitions from Khaddi Vasudevachar archik of Oresanna Anjanayya Swami temple at Siddaghatta, I have the honor, to submit for information and obliging return the accompanying Kanarese records bearing on the subject.

2. It will be observed from the same that the temple in question is in receipt of a Ready money allowance of Rupees 11-9-0 per annum and has a Devadayam Inam comprising a Kayamgutta village and certain lands as specified in the enclosed list.

3 The Pujari Hak of the temple and the emoluments attached thereto are shared in

Jr No 496 dated 30th November 1894
Do 764 dated 1st March 1895
Do 1023 dated 19th May 1895

in by the Petitioner and 3 others, Bodachar, Seshachar, and Rukmanibayi.

4 Bodachar has a half share and the rest 1/6 th share each

5 The temple has gone to ruin and worship ceased to be performed through the combined and continued neglect of the archiks.

6. The cost of requisite repairs has been estimated at Rupees 82-14-0 and there is a Sum of Rupees 93-7-8 in deposit at the Taluk Treasury being the Sale proceeds of the temple lands which have been brought under attachment.

7. The aforesaid Seshachar has unauthorizedly given away 2/3 rds of the Rayangutta village to Muttur Venkatramanappa of Siddaghatta on a permanent annual assessment of Rupees 14-14-0 (including local cess) under a registered deed of transfer dated 18th December 1885 and has received a consideration of Rupees 890/- from the transferee. He has also leased out on a permanent Kandayam of Rupees 3-3-0 per annum another portion (10 Kalagas and

and 5 padies) of the lands of the Kayam-
gutta village to one Shamanna and
Jagasatti by a registered instrument
dated 13th February 1884

8. One of the Minor Inam lands belonging
to the temple viz Survey No. 151 of
Chowdasandra village Siddaghatta Taluk,
was mortgaged by Seshachar's father
Anniachar to one Venkatanarayppa and
2 others in 1841. It Subsequently changed
hands by means of transfers and is
now in the possession of one Munieappa
of Malur who obtained the same from
the previous mortgagee by a deed dated
21st august 1888

9 The aliences were duly served with notices
under para II clause 13 of the Rules pub-
lished under Government Notification
dated 17th November 1877 requiring them
to restore the lands to the temple within
6 months, but they have failed to comply
with the requisition

10 The lands of the Kayangutta village

which

which were unauthorizedly alienated Subsequent to the 31st January 1853 are liable to be Summarily resumed and restored to the institution.

11. The alienation of the minor Inam land referred to in Para 8 above having been made prior to 31st January 1853, the same should have been Subjected to a Jodi of one half the assessment under Para II Clause A of the Said Rules, but this does not Seem to have been done at the Inam Settlement presumably because the fact of the alienation was not brought to the notice of the Settling officer.

12. The amildar recommends that the archiks who are guilty of gross neglect in having allowed the temple to go to ruins and who have diverted the Inam lands from the object for which they were Granted may be dismissed and other arrangements made for the repair of the temple and for the proper performance of worship therein.

P.S. The enclosures of your Memorandum under reply are herewith returned

From the Dy
Commr's report read above

No 718 d/17-12-97
Rem F 46-98 15-1-98

it is clear that the Archaks who have had the management of the temple have been guilty of gross neglect of duty and breach of trust in respect of temple property; they have not only unauthorizedly alienated the Devadaya Inam lands granted for the support of the Archa, but have also failed to conduct worship regularly and allowed the temple to fall into disrepair. These Archaks should be suspended

from the temple service
forthwith.

2. The Dy Commr will proceed to enforce the Rules laid down in the Notification of the 17th November 1877 published by the late Chief Commr under sanction of the Govt of India, and then assume the management of the temple and its endowments in the Muzrai department.

In regard to the unauthorized alienation of the temple Inam lands

An Estimate for the necessary repairs of the temple should also be submitted to Govt for sanction.

3. After the temple is restored in due course, a limit will be specified for the suspension of the Archaks above ordered.

The following letter No 3479—827, dated 3rd March 1897, from the Deputy Commissioner, Kolar district, reporting on the above —

M No 496, dated 30th November 1894
Do 704, dated 1st March 1895
Do 1023, dated 19th May 1895.

Adverting to your Official Memorandum, as per margin, forwarding for report three petitions from Khaddi Vasudevachar, archak of Prasanna Anjaneyaswami temple at Sidlaghatta, I have the honor to submit for information and obliging return, the accompanying Kanarese records bearing on the subject.

2 It will be observed from the same that the temple in question is in receipt of a ready money allowance of Rs. 11-9-0 per annum and has a devadaya inam comprising a kayamgutta village and certain lands as specified in the enclosed list.

3 The pujari hak of the temple and the emoluments attached thereto are shared in by the petitioner and three others, Bhothachar, Seshachar and Rukmimbayi

4 Bhothachar has a half share and the rest $\frac{1}{6}$th share each.

5. The temple has gone to ruin and worship ceased to be performed through the combined and continued neglect of the archaks.

6. The cost of requisite repairs has been estimated at Rs. 82-14 0 and there is a sum of Rs 93 7-8 in deposit at the Taluk Treasury, being the sale proceeds of the temple lands which have been brought under attachment.

7 The aforesaid Seshachar has unauthorizedly given away $\frac{2}{3}$rds of the kayamgutta village to Muttur Venkatramanappa of Sillaghatta, on a permanent annual assessment of Rs. 14-14-0 (including local cess) under a registered deed of transfer, dated 18th December 1885, and has received a consideration of Rs. 390 from the transferee He has also leased out on a permanent kaudayam of Rs. 3-3-0 per annum another portion (10 kolagas and 5 padies) of the lands of the kayamgutta village to one Shamanna and Jagasetti by a registered instrument, dated 13th February 1884.

8. One of the minor inam lands belonging to the temple, *viz.*, Survey No. 151 of Chandasandra village, Sidlaghatta taluk, was mortgaged by Seshachar's father Anniachar to one Venkatramanappa and two others in 1841. It subsequently changed hands by means of transfers and is now in the possession of one Muniyappa of Malur, who obtained the same from the previous mortgagee by a deed, dated 21st August 1888.

9. The alienees were duly served with notices under para II, clause B, of the Rules published under Government Notification dated 17th November 1877, requiring them to restore the lands to the temple within six months, but they have failed to comply with the requisition.

10. The lands of the kayamgutta village, which were unauthorizedly alienated subsequent to the 31st January 1853, are liable to be summarily resumed and restored to the institution.

11 The alienation of the minor inam land referred to in para 8 above having been made prior to 31st January 1853, the same should have been subjected to a jodi of one half the assessment under para II, clause A, of the said Rules, but this does not seem to have been done at the Inam Settlement presumably because the fact of the alienation was not brought to the notice of the settling Officer

12. The Amildar recommends that the archaks, who are guilty of gross neglect in having allowed the temple to go to ruins and who have diverted the inam lands from the object for which they were granted, may be dismissed and other arrangements made for the repair of the temple and for the proper performance of worship therein.
